ORDER

As per the funding pattern of the Scheme 'AMRUT 2.0' the project cost is shared at specified ratio by the Centre, State and Urban Local Body concerned. In addition to the corresponding State share, the local body share is also provided as advance by the State Government along with the Central share to the SNA account of the implementing agency as and when the central assistance for the project is received. Subsequently, the amount of local body share incurred in advance by the State Government is recovered from the Urban Local Bodies from their Development Fund or Maintenance Grant (Non-Road) and remitted into State Government accounts. Hence separate heads of account are necessary to provide the funds in advance to the SNA account on behalf of Urban Local Bodies and its reimbursement from the local body.

Sanction is accorded for the opening of new head(s) of account as shown in Column No.(2) below under the existing head(s) of account shown in No.(1) in the Demands for Grants and Detailed Budget Estimates, 2022-23.
