### ORDER

As per the Guidelines of 'Formulation of GIS based Master Plans under AMRUT2.0', State Action Plan has to be submitted to Government of India, with recommendations of the State Level Technical Committee (SLTC) and State Level High Powered Steering Committee (SHPSC) for AMRUT 2.0. The Guidelines specify that under the Scheme of Formulation of GIS based Master Plans, the preparation of the Master Plans may be done outsourcing or in house. As the components like salary and wages, furniture and fixtures, hardware and software are inadmissible under the Scheme, the cities eligible for getting assistance have decided to carry out the master plan preparation through outsourcing. As per the sub-scheme guidelines, the Consultant's work will be monitored and reviewed by a Consultancy Evaluation and Review Committee (CERC). The CERC will report to State Level Technical Committee(SLTC).

2. As per the decision read as 1<sup>st</sup> paper above, the State Level High Powered Steering Committee (SHPSC) of AMRUT 2.0 has approved the constitution of Consultancy Evaluation and Review Committee (CERC).
